Pointscore Report

Well once again the middle bank of the farm turned on some really fun contestable left and right handers for our March pointscore. Although numbers were a little down this month the surfing was still of high quality. The weather was of equal quality, although it was looking a bit stormy to the west early on, the sun held on and gave us more reason to smile.

Throughout the day there were some really good scores being scribbled down onto judging sheets. In his first few heats Jake Bevan surfed really well getting some high scoring rides combining style and noseriding with a few lip bashes and floaters. As did Justin who surfed really well throughout the day giving the judges some entertainment. Both these guys have been surfing well since they joined the club and have also done well at the Banana and South Coast Sutherland Regional titles. Jake placed second in the juniors and first in the cadets just ahead of Scott Hynard who also has been surfing well in the last 6 months. Justin also placed second in the over 35's which qualifies all these guys for the state titles up in Coffs Harbour. Going along with them will also be a few more DV8's Roscoe, Bernie and Lara (placing 3rd and 4th to Pam Burrige!) Waxxa and Ray. Well done guys im sure you will go up there and bring home some more results for us. In other

competition news Johnny Skinner went up to Noosa and was unlucky to get knocked out in the second round of the 50's. It is really good to see so many DV8's going away and competing in competition surfing im sure in the coming months this space will be filled with good results. On that note make sure you get your Crescent entries in! This year there is a chance to win a Toyota Yaris AKA a car!

This month's pointscore is on Sunday, hopefully the swell will clean up and we will get to experience some great waves and as usual good times. See you on Sunday!

Josh.

p.s if any of you have pictures, stories surf movie recommendations or reviews or any stuff we could put in the newsletter send it to me otherwise it will be all my dribble and pictures of Barney!
