SUTHERLAND / SOUTH COAST REGIONAL ELIMINATIONS 2010

- Welcome to the Sutherland / South Coast Regional Eliminations.
- As this is a necessary prelude to competing in the State Titles, could you please consider whether you will be available for the State Titles, held in late June, before putting in your Entry for these Regionals.
- To be eligible to surf in these Regionals, you **must** be a financial member of Surfing NSW (SNSW). If you are not a financial member you will not be eligible to compete - this is for insurance purposes.
- This is a Surfing Australia (SA) sanctioned event, and as such is run under the SA guidelines.
 - All boards used in every division except Open 8-foot and Cadets must be a minimum of 9-foot in length and have an aggregate width of at least 47".
 - Boards which fall outside these parameters will not be eligible for use.
 - In the 8-foot division, boards must be a minimum of 8-foot in length, but less than 9-foot.
 - Again, boards which fall outside these dimensions will not be eligible.
 - In the Cadets division, boards can be as small as 8-foot.
 - Boards may be measured if there are any concerns regarding eligibility.
 - In the Under-Age Divisions, surfers must be **UNDER** the stipulated age as at 31/12/10
 - In the Over-Age Divisions, surfers must be **OF** that age as at 1/1/10
 - Any queries regarding Age-Eligibility may require proof-of-age (Licence, Passport, Birth Certificate, etc.)
 - Interferences will be judged.
 - These will include drop-ins, paddling and snaking.
 - If a surfer gets two interferences in one heat, they will be disqualified from that heat, and will not have their name included in the results from that division that are sent through to NLA.
- Each Region has an allotted number of places for each division for the State Titles
- If you finish outside of that number, this does **NOT** mean that you will necessarily miss out on selection for the State Titles, for after the allotted places are filled, spare spots are offered to the other surfers who competed in that division, in descending order of finishing
- Our Regions allotments are as follows ...
 - Open 9-Foot 6 Places
 - Open 8-Foot 3 Places
 - Open Women's 3 Places
 - Over-35 Women 3 Places
 - Over-35 Men 3 Places
 - Over-40 3 Places
 - Over-45 3 Places
 - Over-50 3 Places
 - Over 55 3 Places
 - Over-60 3 Places
 - Jnr Men 3 Places
 - Jnr Ladies 3 Places
 - Cadets 3 Places
- We will be doing the Seedings on the Tuesday night (23rd February), and the Draw will be uploaded onto the ALB website (www.australianlongboarding.com) that night
- **People who do not have access to the internet can ring me from Tuesday evening onwards to find out when they are surfing.**
- **IMPORTANT TO NOTE** that we won't be putting any surfers name on the Draw until the ENTRY FEE has been paid.
 - This was made necessary due to people at past events saying they would turn up and then for whatever reason, they don't.
 - This throws the Draw out and may adversely effect a competitor who has paid
- There will be no compulsory judging, but it would be appreciated if people could volunteer to do a few Heats during the day.
 - We have a few accredited judges who live in our Region who have volunteered their services, but they can't do it on their own.
 - So hopefully in the Spirit of Aloha, people will jump in and help.
- Our host club this year is the Layback Longboarders
- There will be a Barbie on during the day, with all money from that going to the club
- We have organised a few goodies for a raffle, as well as some bits 'n pieces for a (free) competitors draw
